

Quiz Buzz

Ravi Revathy, Jupudi Chaithra, Anshika, Lakshmi Prasanna

October 24

Objective

To conduct short quizzes for the user to test his knowledge and judge where he stands along with the option to view his previous performances.

About the Website

The website allows the user to take quick quizzes and provides the total score along with high scores at the end. It also tells the user whether the answer he marked is right or wrong when they choose an option.

Features

- Different topics
- Progress bar
